the crisis founded by w e b du bois as the official publication of the naacp is a journal of
civil rights history politics and culture and seeks to educate and challenge its readers
about issues that continue to plague african americans and other communities of color
for nearly 100 years the crisis has been the magazine of opinion and thought leaders
decision makers peacemakers and justice seekers it has chronicled informed educated
entertained and in many instances set the economic political and social agenda for our
nation and its multi ethnic citizens

the hughes court from progressivism to pluralism 1930 to 1941 describes the closing of
one era in constitutional jurisprudence and the opening of another this comprehensive
study of the supreme court from 1930 to 1941 when charles evans hughes was chief
justice shows how nearly all justices even the most conservative accepted the broad
premises of a progressive theory of government and the constitution the progressive
view gradually increased its hold throughout the decade but at its end interest group
pluralism began to influence the law by 1941 constitutional and public law was

discernibly different from what it had been in 1930 but there was no sharp or instantaneous constitutional revolution in 1937 despite claims to the contrary this study supports its conclusions by examining the court s work in constitutional law administrative law the law of justiciability civil rights and civil liberties and statutory interpretation

this set surveys american misogyny in all its cultural forms from popular music film and education to healthcare politics and business the work also assesses proposals to confront and reduce such expressions of hatred the essays contained in this two volume set explore misogyny within various areas of american culture to demonstrate its pervasiveness and identify common foundations of its many presentations beyond a basic definition of misogyny which includes hatred of women and girls and the ways in

which this hatred and distrust influences action speech discrimination policy and culture in the united states this project also aims to expand and complicate definitions of misogyny in order to provide readers with a robust introduction to and understanding of the larger topic given the current political and cultural climate and the more frequent and widespread use of the term misogyny by various media outlets and voters during the 2016 presidential election this book has the potential both to contribute to ongoing conversations on misogyny and among its intended audience of advanced high school beginning college students and the general public to inform a shift currently unfolding in public conversation on the topic

this study of what brian norman terms a neo segregation narrative tradition examines literary depictions of life under jim crow that were written well after the civil rights movement from toni morrison s first novel the bluest eye to bestselling black fiction of the 1980s to a string of recent work by black and nonblack authors and artists jim crow haunts the post civil rights imagination norman traces a neo segregation narrative tradition one that developed in tandem with neo slave narratives by which writers return to a moment of stark de jure segregation to address contemporary concerns about national identity and the persistence of racial divides these writers upset dominant national narratives of achieved equality portraying what are often more elusive racial divisions in what some would call a postracial present norman examines works by black writers such as lorraine hansberry toni morrison alice walker david bradley wesley brown suzan lori parks and colson whitehead films by spike lee and other cultural works that engage in debates about gender black power blackface minstrelsy literary history and whiteness and ethnicity norman also shows that multiethnic writers such as sherman alexie and tom spanbauer use jim crow as a reference point extending the tradition of william faulkner s representations of the segregated south and john howard griffin s notorious account of crossing the color line from white to black in his 1961 work black like me
