tradition and myth but this desire to celebrate the difference of latin american culture
unwittingly contributes to its exoticization failing to do justice to its richness complexity and
contemporaneity by re reading and re viewing the short stories of juan rulfo julio cortazar
and augusto monterroso bell reveals the hybridity of this genre it is at once rooted in
traditional narrative and fragmented by modern experience its residual qualities are revived
through emergent forms crucially its oral and mythical characteristics are compounded with
the formal traits of modern emerging media photography cinema telephony journalism and
